

GIVE THE GIFT OF HUMAN CONNECTION

ENGIN is a 501(c)3 nonprofit that has paired over 20,000 young Ukrainians with English speakers for free online conversation practice and cross-cultural connection. By building mutually beneficial relationships between students and volunteers, we break down borders and create a more interconnected, empathetic world.

The Power of a 1-on-1 Connection

- Rapid improvement in English fluency
- Immersion into a new culture
- Academic and professional mentorship
- Friendship and emotional support

**PLEASE HELP US CHANGE THE WORLD
ONE CONVERSATION AT A TIME!**
